### **CEO**

The company's Board of Directors annually decide the CEO's rewards and compensations. The Nomination and Compensation Committee prepares a suggestion to the Board regarding the CEO and the terms of his/her employment.

The CEO receives a fixed monthly salary and an annual bonus that is tied to the result and the CEO's personal performance according to the scorecard defined by the company. The annual bonus can be no more than 60 percent of the CEO's annual fixed salary income. The CEO's remuneration can be reassessed annually. In 2015 the CEO was paid a salary for acting as CEO for Consti Group Plc and also Consti Talotekniikka Ltd, as well as bonuses earned in 2014, amounting to a total of 354,081 euro.

In addition, the CEO is entitled to a supplementary pension insurance paid by the company.

The CEO's notice period is six months. The severance pay is fixed to equal six month's gross wages prior to the termination of the employment. Additionally, when the company or the CEO terminates the employment, the CEO is entitled to compensation for the time period during which a non-compete obligation is ongoing. This compensation amounts to a maximum of six months' gross wages, with altering salary, provisions and bonuses not considered as part of the wages. Should the CEO's employment end with a termination of the CEO's contract due to a material breach of contract on the company's part, the CEO is entitled to the result-based-bonus of the ongoing fiscal year adjusted to the time period that the CEO was employed by the company that fiscal year.

### **Supplementary pension scheme for the CEO and Management Team**

The CEO and part of the Management Team belong to the supplementary pension scheme for upper management.
